PROFESSIONAL SUMMARY

Dependable, energetic, and hardworking professional seeking general work opportunities in **Sales & Retail Assistance, Driving & Delivery Logistics,** and **Kitchen & F&B Support.** Combines strong customer service abilities, hands-on inventory management experience, physical stamina, and a quick-learning mindset. Proven track record managing store retail operations, safe vehicle driving/transport, stock handling, and assisting team operations in fast-paced environments. Dedicated to maintaining high standards of punctuality, safety, hygiene, and customer satisfaction.

KEY SKILLS & COMPETENCIES

🛒 Sales & Retail Operations

- **Customer Engagement & Support:** Warmly welcoming customers, identifying needs, making product recommendations, and handling inquiries with a friendly demeanor.
- **POS & Cashiering:** Proficient in operating Point-of-Sale (POS) systems, cash registers, invoice issuing, and accurate cash reconciliation.
- **Inventory & Merchandising:** Restocking retail shelves, product tagging, stock auditing, unboxing incoming goods, and setting up attractive store displays.

🚚 Driving & Delivery Logistics

- **Safe Driving & Road Navigation:** Experienced driver with strong knowledge of road safety regulations, GPS route planning, and time-conscious dispatches.
- **Cargo Handling & Loading:** Careful loading, securing, and unloading of items to ensure 100% damage-free delivery to customers or clients.
- **Vehicle Care & Discipline:** Performing routine vehicle inspection checks, maintaining cleanliness, and strictly following schedule dispatches.

🍳 Kitchen & F&B Support

- **Food Preparation:** Assisting kitchen staff and chefs with basic food prep, ingredient washing, chopping, portioning, and packing.
- **Hygiene & Sanitization:** Operating commercial dishwashers, scrubbing cookware, maintaining clean workstations, and abiding by food safety standards.
- **Fast-Paced Operations:** Working quickly and systematically during peak lunch/dinner rush hours to ensure seamless front-and-back of house workflow.

WORK EXPERIENCE

Sales Operations & Retail Lead | Tike War Myanmar *Aug 2020 – Sep 2023*

- Supervised daily retail store operations, stock inventory, and warehouse storage for retail goods and mechanical components.
- Operated POS cash registers, handled cash/card transactions, assisted walk-in customers, and resolved inquiries cheerfully.
- Received, unboxed, inspected, and logged incoming stock shipments; ensured store shelf displays remained well-stocked.
- Executed local delivery dispatches to business partners and retail clients safely and on schedule.
- Maintained store hygiene, organized stockroom storage, and upheld high standards of safety and customer care.

Operations & Team Lead | Strategy First Project Team *Mar 2024 – Jun 2024*

- Coordinated task schedules, member duties, and daily workflow in a structured team environment.
- Demonstrated strong problem-solving, active communication, and reliability under tight timelines.
